BRASS QUINTET

"Absolutely spectacular!" ROLF SMEDWIG, EMPIRE BRASS

*"Five virtuoso musicians... The performance was superior...
thrilling to hear" RAPID CITY JOURNAL*

The Synergy Brass Quintet has been acclaimed for its technical virtuosity, outstanding showmanship and diverse programming. Founded in Boston in 1996, the quintet performs over 100 concerts a year. Already in its young career, Synergy has participated in some of the world's most prestigious music festivals, including the Ravinia Music Festival, the Bethlehem Musikfest, the Tanglewood Festival and even the Boston Early Music Festival. In addition to performing the classics of the brass quintet repertoire, Synergy enjoys performing music for organ and brass and a wide variety of Dixieland, Broadway, jazz, pop and rock repertoire. Whatever they play, their infectious enthusiasm and love for the music shines through.

In addition to Synergy's busy performance schedule, the ensemble dedicates much of its time to educational activities. They have served as Quintet-in-Residence at the Boston University Tanglewood Institute and have presented masterclasses and events at public schools, colleges and conservatories across the country, including the Shepherd School of Music at Rice University, Oklahoma State University, the University of Illinois, Mannes College of Music, and the Manhattan School of Music. Through workshops, clinics, residencies and masterclasses, the members of Synergy Brass Quintet use their talents to inspire a passion for music in the next generation.
